EDUCATION

Nanjing University Sept. 2025 — Present
Ph.D. in Computer Science *Nanjing, China*
School of Computer Science. Advised by [Chen Tian](#) and [Zhibin Wang](#).

Harbin Institute of Technology Sept. 2021 — June 2025
B.S. in Computer Science *Harbin, China*
School of Future Technology.

Harbin Institute of Technology (Shenzhen) Aug. 2024 – June 2025
Exchange Student in Computer Science *Shenzhen, China*

HONORS & AWARDS

Huawei Intelligent Base Scholarship 2024
National Encouragement Scholarship 2022, 2024
Recipient of the 2021 HIT Innovation Talent Development Fund 2021

PUBLICATIONS

- **Liu F**, Li X, Zhao K, et al. DART: Diffusion-Inspired Speculative Decoding for Fast LLM Inference. arXiv preprint, 2026. [[PDF](#)] [[Code](#)]

INTERNSHIP

Alibaba Tongyi Lab Jan. 2026 — Present
Research Intern *Hangzhou, China*

- Research on LLM Inference Optimization and Scheduling Optimization.

Alibaba Cloud Nov. 2024 — Apr. 2025
Research Intern *Hangzhou, China*

- Research on Network Innovation Engineering and Multi-Agent Diagnosis.

TECHNICAL SKILLS

Programming Languages: Python, C/C++, Go, Java, SQL
Technologies/Frameworks: PyTorch, vLLM, CUDA, Linux, Docker, Git
Languages: Chinese (native), English
